

We look forward to *welcoming* you soon.

We understand just how important it is to be able to meet and gather in a safe environment. With 260 acres and a variety of outdoor venues, Lied Lodge at Arbor Day Farm offers your group plenty of open space for relaxation, collaboration, and team building.

Inside Lied Lodge, you can rest assured your well-being is at the forefront of our efforts. We've worked diligently to develop safety protocols that help protect your health and peace of mind, freeing you to meet, relax, and reconnect with others in comfort.

Want more detailed information about the SafeSpace Initiative?

You'll find it on the next page.

Safely Visiting Lied Lodge at Arbor Day Farm

Creating a safe environment for our guests and team members is our primary goal. We're backing up this statement with our SafeSpace Initiative, a process that utilizes expert training and new technologies to further elevate our already stringent cleaning and safety standards.

Masks and Handwashing

We are asking all guests and Arbor Day Farm Team members to wear masks in indoor public spaces.

Social Distancing

While on the property, all guests and team members are asked to maintain 6-feet social distancing.

10-Step Guest Room Cleaning Process

Our expert team, trained by the globally recognized Ecolab, adheres to a regimented 10-step cleaning system.

Frequent Cleaning of Public Areas

High-touch public spaces across the property are continually cleaned and sanitized.

New Cleaning Technologies

Innovative technologies, such as cutting-edge air and pool filtration, are being employed to optimize cleaning.

F&B Guidelines for Private and Group Dining

Our F&B team follows state approved protocols for cleanliness and social distancing to help provide a safe dining experience.

Lied Lodge SafeSpace Initiative

Masks and Handwashing

We're asking guests and Arbor Day Farm team members to wear masks in all indoor public spaces. Hand sanitizer stations are located throughout the property for frequent hand cleaning. In addition, Lied Lodge team members working at touchpoint areas will wear gloves when interacting with guests.

Social Distancing

We're asking guests to practice safe social distancing, remaining 6 ft apart from others. We will have visual reminders and barriers to ensure everyone maintains a safe social distance. We've also reduced the amount of furniture in the lobby to allow our guests room to safely distance from one another.

10-Step Guest Room Cleaning Process

Our entire cleaning staff has been trained by Ecolab, a global leader in the manufacture and use of disinfectant products. Our 10-step process helps ensure every room has been cleaned and sanitized properly.

Whenever possible, guest rooms will remain unoccupied for one night before being assigned to a new guest.

Frequent Cleaning of Public Areas

We've taken our longstanding dedication to cleanliness to an even higher level to further protect the health of everyone on the property. This includes conducting extra cleaning procedures such as sanitizing door handles, elevator buttons, benches, tables, chairs, and counters in public areas.

New Cleaning Technologies

We're using the newest developments and expertise in cleaning to help provide a safer environment. This includes new air cleaning technology from Global Plasma Solutions. This cutting-edge system safely cleans the air inside Lied Lodge killing molds, bacteria, and viruses. We've also installed Advanced Oxidation Process filtration in our swimming pool to deliver the freshest and healthiest water quality possible.

In addition, we will employ electrostatic sprayers to sanitize surfaces throughout the hotel and begin integration of a no-contact check-in process. Each of these new processes helps optimize our already stringent cleaning protocol.

F&B Guidelines for Private and Group Dining

It's enjoyable to gather with others over a great meal, but group dining can present certain challenges. To help create a safe dining experience for all guests and our team members, we will follow Nebraska Restaurant Association guidelines for cleanliness and social distancing. To assist with this, we are discontinuing buffets and requiring dining reservations for all guests. This will allow for appropriate spacing inside the restaurant and outside on the Sunset Terrace.

Call or email us to learn more about the steps we're taking to help ensure your safe visit to Lied Lodge at Arbor Day Farm. Your comfort and well-being are as important to us as they are to you.

Thank you for your trust.
